## **Solemn Affairs Bereavements and Wakes**

The Funeral Reception serves a very important purpose, to refresh mourners who may have travelled some distance and are in need of sustenance and to provide an opportunity for family and friends to congregate and reminisce.

The staff at The Lanes Hotel cares deeply about its guests, quality and reputation, which is why we will help you organize your funeral wake with empathy.

We know this is a hard time for families – too many things to do in a short period of time and under emotional stress. The Lanes Hotel offers an unobtrusive but friendly service in organizing your Funeral Reception leaving the family free to greet attendees.

The facilities available to you during your wake:

Exclusive use of the elegant walnut panelled restaurant arranged in a buffet style with ample room to receive and socialize with the mourners.

Our public rooms are also available for your guests to use including the lounge area and licensed bar should they so desire.

We are located at 70-72 Marine Parade. We are on the upper promenade between the Brighton Pier (formerly the Palace Pier) and the Brighton Marina. If you are coming from London then continue driving to the centre of Brighton, once you reach the roundabout in front of the Brighton Pier turn left along the upper promenade, we are about 5 minutes along this road. If you are arriving by train we recommend a quick taxi ride to the hotel, which should cost around 5-10pounds and take between 5-10 minutes.
